

3-D ART

We'll be working with a variety of materials (clay, wood, cloth, plaster, paper, junk) to make sculpture and whatever else we can think up!

- Mixed media sculpture—Dive into Linda's treasure trove of junk to find materials for your own creations
- Plaster casting—We'll make masks of our faces (or hands, if you prefer...)
- Clay (polymer & air-dry)—Make your own "world in a box" and populate it with figures, shapes and/or ??

The instructor: Linda Lemon has been working with Mixed Media & Handmade Paper for ten years, and shows her work extensively. She teaches Papermaking and art/craft classes in several after-school programs, and conducts workshops and classes in her own studio.
