

# Drawing and Painting

**Class Description:** (The information will be age and or level appropriate.) There will be an emphasis on gaining skills, confidence and enjoyment in the process of drawing and painting. Using a variety of techniques, mediums and materials, including charcoal, colored pencil, pastel, tempera paint, pencil, and ink we will learn about the use of lines and shapes to draw from the world around us, from imagination and animals from calendar/photos sources. We'll create finished compositions while exploring some basic elements of drawing and painting including shape recognition within forms, simple perspective, division of space and color mixing. Class size is minimized to 12 students for maximum individual attention and encouragement. All materials and snacks included.
