Learn the fun and creativity of knitting! An enjoyable activity that helps concentration, relaxation and invention. Knitting can be a social activity that also develops confidence.

This class will start with the basics of knitting: knit stitch, casting-on, binding off. Emphasis will be on proper hand position, posture and technique for even stitches. Continuing students will be challenged with new techniques.

Students will create a project for themselves and also collaborate on an item to be donated to charity. Size 8 or 9 knitting needles and yarn will be provided for projects to make instructions standardized.

The instructor is Chabot Parent, Sara Jewell, an avid knitter/crocheter/fiber artist with a passion for all things hand-made.

There is a minimum of 6 students and a maximum of 12.

Adults welcome.

Students will be enrolled on a first come, first serve basis.
