

**Chabot Elementary School PTA
After-School Enrichment Program**

Spring 2010

Monday, March 22-Friday, June 11

No classes 3/29, 5/31, 5/28 and the week of 4/5

The Chabot PTA After-School Committee has organized a great line up of after-school enrichment classes for the spring 2010 session.

Please look carefully at all of the class offerings. There are some great opportunities for enrichment. Please note that scholarships are available (see below). Programs begin the week of Monday, March 22 and go through Friday, June 11.

(Note: there are some exceptions, please read the fliers carefully.)

**Classes fill up quickly, so be sure to send in your registration ASAP!
Enrollment opens on Monday, March 8th (enrollment forms received before 3/8 will be considered received on 3/8)**

To ensure the success of this program, we ask you to remember the following:

- Please mail all registration forms and checks **to the providers directly**. Checks should be made **payable to the provider**. Registration information is available on the Chabot website at <http://www.chabotelementary.org/content1/classes/afterschool.html>. Hard copies are also available on the table outside the school office.

Please complete the attached blank enrollment form as well as the class flier for each class in which you would like to enroll your child/ren. Send both, along with payment, directly to the provider.

- After-School Programs are not a replacement for Adventure Time or other child care programs.
- Please note: There are many classes that do not start immediately after the school day! It is the responsibility of the parent to ensure that the student is either enrolled in Adventure Time or is supervised by an adult while on school premises before the start of any after-school program that begins more than 10 minutes after school gets out. Neither the school nor the OUSD staff is responsible for the child's whereabouts once school is out. Parents or guardians are required to pick up their children promptly at the end of the program, or have arrangements already in place with Adventure Time. Kindergartners who are attending a class directly after dismissal will be picked up by the providers and escorted to class or by parents directly. Students in grades 1-5 may get themselves to their after school-program. Ultimately, this is the parent's responsibility and not the responsibility of the teachers or AT.
- Adventure Time and the school office will receive a roster of students enrolled in each after-school program.
- All program providers will offer at least one scholarship per session. The principal in consultation with the class provider will manage eligibility for and enrollment in scholarship slots. Please let the program providers know if you need a scholarship and contact Margaret Thorp in the school office if you require a scholarship.
- Please note there will be no classes during the week of 4/5 and on the following days: 3/29, 5/31 and 5/28
- If you have specific questions about the programs, please call the program providers. If you have general questions about Chabot's After-School program, please contact Gretchen and Christian Schreiber (510.350.8849, wackerg@yahoo.com).

Spring 2010 Chabot After-School Programs Schedule
