

CHABOT ELEMENTARY SCHOOL PTA AFTER-SCHOOL PROGRAM (ASP) SCHOLARSHIP REQUEST FORM

WINTER SESSION 2018: November 26th – March 1st

The scholarships are designed to provide students an opportunity to participate in the After School Enrichment Programs who may not otherwise be able to afford the classes. The scholarships will be prioritized on a need-based honor system with preference given to those who fill out the form completely, correctly, and on time. Please return this scholarship application form to the office by **Friday, November 9th**. Parents will be notified of their scholarship status by **Wednesday, August 14th** via email. Complete one scholarship application per child.

Many providers only offer one scholarship per class. Therefore, siblings cannot take the same class. It is expected that every scholarship recipient will list 2-3 classes that they are willing to take. If you do not list 2-3 classes, we may not be able to accommodate your request to place your child into a class of their choice. Please, only list classes that your child wants to take. If your child attends Adventure Time or Homework Club, please consider a class that begins later. If the class to which your child is assigned is canceled due to low enrollment, every effort will be made to reassign your child to another available class. There are no guarantees; however we will do our best.

Sign here to acknowledge that all students must be released to a parent or authorized adult at the conclusion of each after-school class UNLESS they will be going directly to Adventure Time. Failure to pick up your child on time will result in loss of your scholarship.
