SPRING SESSION: April 6th – May 22nd, 2020

After School Program (ASP) scholarships are designed to provide students with an opportunity to participate in Chabot's ASP who may not otherwise be able to afford enrichment classes. Scholarship applications are prioritized on a need-based, honor system and preference is given to applicants who fill out the form accurately and on-time. Please email or return this application form to the office by **Friday, March 13th**. Applicants will be notified via email. Complete one scholarship application per child.

Only list 2-3 ASP classes that your child is willing to take. If you do not list 2-3 courses, we may not be able to place your child into a class of their choice. If your child attends Adventure Time or Homework Club, please consider an ASP class that begins later. Many providers only offer one scholarship per class. Therefore, siblings cannot take the same class. If an ASP class is canceled due to low enrollment, every effort will be made to reassign your child to another available class. There are no guarantees for placement; however, we do our best to accommodate everyone.

Sign here to acknowledge that all students must be picked up by a parent or authorized adult at the conclusion of each ASP class UNLESS they are enrolled in Adventure Time after-school care. Failure to pick up your child on time will result in loss of your scholarship.
